Parent Help

Cricket matches do not just happen. There are plenty of jobs to be done to ensure smooth running. Above all, the coaches need to focus on on-field performance. We need parent help in other areas.

We need to adopt the "many hands make light work" strategy and help out where we can, preferably everyone doing a little at every match. Some of the jobs require more work: scoring, teas and Helper organiser. We need everyone to muck in and take a turn. We need help in the following areas:

A) SCORING. We will need volunteers to do the scoring, and this is an important role. We will ensure that you get plenty of support on the day when you do this.

B) TEAS (HOME GAMES ONLY) BYG hope to continue to provide the spreads we have in the past. If you can help, let us know

C) CLEARING UP (HOME GAMES ONLY) We expect everyone to muck in here. If you need to dash off, then please let everyone know before the match, as there is nothing more demoralising for the "good guys" than seeing everyone else appearing to sneak off. However we all appreciate that sometimes we have another commitment.

D) ORGANISING THE WARM-UP The boys will soon get used to the standard warm up. It will free up the coaches if one of the parents can "oversee" this. ie Start it!

E) HELPERS ORGANISER Obvious really. Someone the coaches can ask to get something done (to act as "enforcer") . Probably a "hands-on" job though!

F) "TAXI" FOR FRIENDS OF YOUR BOY/GIRL (AWAY GAMES OR POTENTIALLY HOME GAMES) To make it easy for others to arrange transport, please indicate whether you intend to take a car and don't mind if others email you to try and get a lift there (or back).

G) COLLECTING MATCH FEES Do not wait to be asked for this. Find out who is collecting and make their job easier. Be sure to make it clear which player you are paying for!

H) SUPPORT They may not tell you in as many words but it means the world to your boy/girl when you are able to stay and watch them. We appreciate that sometimes you may have other commitments but, wherever possible, please do try and stay.
