The Nursery Ground, Cricketers Close, Bells Yew Green, East Sussex TN3 9AL

Policy For Photography And Videos

Bells Yew Green Cricket Club recognises the need to ensure the welfare and safety of all young people in cricket. As part of this commitment we will not take photographs or video images during training, without consent of the parent, carer or young player. The Club follows guidance issued by the England and Wales Cricket Board and will take steps to ensure that all images are used solely for the purpose for which they are intended, which is the development, promotion and celebration of cricket.

Please note that whilst Bells Yew Green Cricket Club will do all that it can to ensure young players' protection, there are circumstances during matches and other public events where it is the parent or carer's responsibility to ensure that the young player is not photographed against their wishes. The Club will actively seek consent as follows:

Any video recording will be made by (or under supervision) of a qualified Club/County coach who will be CRB checked, and will only be used for the purposes of assessment and cricket coaching;

Any video recording may be shown to other qualified coaches for the sole purpose of further assessment and coaching advice;

Any video recording will be retained for teaching and coaching purposes as long as is deemed necessary by the coach. The video recording will be immediately erased upon request from the child or their parent/carer.

Any still photography used in publications or on our website will not ordinarily identify individuals. Where a young person is identified, it will only be with explicit consent.
